SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the requirements of 37 CFR §1.56, applicants submit the documents attached hereto to be made of record in the above-identified case. A listing of said documents on form PTO-1449 is also attached.

The present Supplemental Information Disclosure Statement is being filed at the time of filing a request for continued examination or prior to the mailing date of the First Office Action or within three (3) months of the receipt of an International Search Report or a search report received from a national patent office; therefore, no filing fee is believed to be required. If a filing fee is required, the Commissioner is hereby authorized to charge applicants' deposit account 05-1070 for the full amount of said fee.

Copies of any cited search reports are enclosed herewith. The submittal of such cited search report(s) is not intended as a representation that the Applicants agree with any classifications made by the Examining Attorney of the references cited therein.

This statement is not intended to represent that no better art exists. Applicants reserve the right to contest the applicability of the documents attached hereto as prior art in the event that any information is discovered which demonstrates that said documents do not qualify as prior art.

Consideration of the present Supplemental Information Disclosure Statement is respectfully requested. The claimed invention is, however, deemed to represent a patentable departure from the teachings of the prior art.

Respectfully submitted,

Michelle J. Burke
